

REMARKS

In the Official Office Action of March 14, 2006, a four-way restriction requirement was issued. Applicants hereby elect Group I, i.e., claims 1-6, drawn to a concentrate.

Accordingly, non-elected claims 7-15 have been cancelled without bias or prejudice since they can become the subject matter of a divisional application.

Applicants have amended claims 1 through 6 to further define the invention.

In view of the above amendments and election, an action on the merits with regard to claims 1-6 is hereby earnestly solicited.

Respectfully submitted,

HUDAK, SHUNK & FARINE CO, LPA
